

Piscataquis Amateur Radio Club
Summer Meeting and Picnic
August 22nd, 2004

Brief meeting called to order by Club president George, WA1JMM; present were Terry, N1RCU, Margie, N1UCN, Ray, N1MRT, Ben, WA1PBR, Dan, W1GHH, Susan, KB1LJS, Jonathon, KB1LML: plus new hams: Tricia, KB1LOH and Gary, KB1LOJ. Also Karen, Jim, Jacob, Lauren and Haley.

Old Business: This year's St. Albans hamfest was a notable success with 100+ attendees and raised in excess of \$450 for the club's treasury. Next year we need to have highly visible signs in front of the Snoddevils facility and need to make it a point to involve more members with hamfest production.

New Business: Ben, WA1PBR, was presented with the PARC Elmer Award and a beautiful gift to commemorate the occasion.

Meeting adjourned
